

Meeting to discuss Marcellus Shale coordination

Michelle Josilo to: Kenneth Kosinski

Hi Ken,

Thanks for our brief discussion on Tuesday, I'm glad we got to touch base as a follow up to Koon's and my emails last week. As I mentioned to you, I'd like to set up a conference call and invite the other program leads -- Christina, Shohreh, and Brian from DEC and Jacqueline and Steve from EPA R2. The main purpose would just to be share where DEC is with the stormwater permitting effort as well as anything you may have in terms of activity from the POTWs with respect to accepting waste. I know in particular, I'd like to hear more about the stormwater permitting approach DEC is pursuing.

Would your group be available on Wednesday, May 12 in the afternoon or on May 13 (anytime except 9-10 or 2-3)? Please let me know.

Thanks,
Michelle
